

Employees Honored on Special Night

Locust Grove Village held the Annual Recognition Event on March 11, 2021. The special night pays honor to all the employees who are in service as well as special awards for years of service.

Charlotte Rathke, Administrator and emcee for the evening highlighted the 2020 accomplishments. The Board Chairman, Kevin Moeder thanked the employees for their dedicated service over a very difficult year with the COVID-19 challenges. The Board members who were present showed their appreciation with a "standing ovation" for the staff.

Employees and their guests enjoyed a special dinner served by the dietary department. After dinner, Charlotte introduced staff by departments and paid recognition to their work. To complete the evening, the years of service honors were awarded. Those receiving special recognition included:

25-Years of Service ~ Anna Cheely, Certified Caregiver, CMA, ASL Team leader.

Careers In Aging

The demand for professionals with expertise in long term care is growing rapidly. The U.S. will need between 5.7 million and 6.5 million nurses, nurse aides home health and personal care workers to care for the 27 million Americans who will require long term care by 2050. Locust Grove Village recently participated in Careers in Aging Week with special video promotions and posts from our staff. Follow us on Facebook to get these and other highlights from Locust Grove Village. We salute the many dedicated, caring employees who are currently working and serving at LGV!
