

**Giving Tuesday is coming soon, Tuesday- November 29!** Locust Grove Village is grateful for the many donors who have embraced our desire to build an endowment through each and every Giving Tuesday.

Thanks to the generosity of Locust Grove Village donors, over previous *Giving Tuesdays*, \$50,000 has been raised for our endowment fund with Golden Belt Community Foundation. This fund is very important to us and with continued growth the endowment fund becomes an important alternative and sustainable funding source, ensuring that high quality health care and retirement living are available for future generations in Rush County.

As *Giving Tuesday* approaches on November 29, we ask you to thoughtfully consider a gift this year to our endowment fund. Gifts will qualify for a proportional share of the Foundation's matching pool, making your gift even more impactful.

To be as accommodating and as safe as possible, several giving options are available. Those options include:

- Mailing a check. Gifts may be mailed directly to Golden Belt Community Foundation any time before November 29, making your check payable to Golden Belt Community Foundation with Locust Grove Village written in the memo line. A Giving Form is included in this envelope, or is available online at [www.goldenbeltgives.org](http://www.goldenbeltgives.org) or [www.locustgrovevillage.com](http://www.locustgrovevillage.com). Designate Locust Grove Village on the form.
- Online donations may be made at [www.goldenbeltgives.org](http://www.goldenbeltgives.org), designating LGV on the giving form.
- In-person gifts in Rush County may be made at:
  - Farmers Bank & Trust in La Crosse at the drive-thru, November 29
  - SJN Bank of Kansas in La Crosse on November 29
- In-person gifts may be made at the Golden Belt Community Foundation office in Great Bend between November 1-29.

Your investment in our endowment fund and our future has an impact on many generations of those who live in Rush County. Thank you for considering a gift.

Charlotte Rathke, Administrator
